Dear John DiMichele

The Durham Region Association of REALTORS® would like to congratulate The Toronto Regional Real Estate Board on their 100 Year Anniversary on November 29, 2020.

The Durham Region Association of REALTORS® has enjoyed being a partner board with TRREB for over 20 years. We have developed a strong relationship that has benefitted our joint Membership by servicing the majority of Ontario REALTORS®.

Through TRREB's advanced technology initiatives, GTA REALTORS® have performed a crucial role in helping home buyers achieve the dream of home ownership, as they turn houses into homes, offices into businesses and streets into strong neighborhood communities.

We look forward to continuing our affiliation with TRREB to strengthen advocacy, technology, and professionalism for many years to come.

Again, it is our honor to congratulate the Toronto Regional Real Estate Board as you celebrate your 100-year Anniversary.

Sincerely,

Vicki Sweeney
DRAR 2020 President
