RE: TRREB 100th Anniversary Congratulatory Letter

Dear Lisa:

On behalf of the OREA Board of Directors, I want to congratulate you, CEO John DiMichele and the TRREB Board of Directors on its 100th anniversary. This milestone reflects TRREB's strong tradition of excellence and dedication to the REALTORS® and the communities you serve.

For over a century, TRREB has contributed towards the growth and development of REALTORS® in the Greater Toronto Area. As the largest local real estate board in North America, TRREB is a leader in delivering innovative technology to members; serving as a strong voice at City Hall with the Mayor and many local Counsellors; and, offering excellent professional development opportunities, including events such as REALTOR® QUEST, Canada's largest real estate conference and trade show.

There is a unity and strength that comes when a provincial association and a local board work together to achieve our shared goals. From fighting to stop the spread of the municipal land transfer tax to passing the Trust in Real Estate Services Act, TRREB and OREA have a history of working together to achieve great things.

Looking ahead, I know that as we continue to work together, there is nothing that we cannot achieve to advance the success of the REALTORS® and the communities we serve.

Congratulations on a hundred years of accomplishments and best wishes for another century of success!

Yours sincerely,
